## William's Farm

William is a farmer. He has a big farm. There are dogs, cows, sheep, horses and chickens on his farm. He plants carrots, turnips, corns and tomatoes. There are apple, pear and plum trees on the farm.

He wakes up early in the morning. He picks up the eggs, milks the cows and feeds the animals.

He likes riding a horse and reading a book in his free times. He doesn't like watching television.

He goes to bed early in the evenings. He loves living on the farm.

## Answer the questions

1. What is William's job?
2. Are there ducks on the farm?
3. Does he plant tomatoes?
4. What does he do in the morning?
5. What does he like?
